TRANCE CHANNEL

We Are One

“We Are One” are a Group Consciousness of over 200,000 Spiritual Beings, Angels, and Archangels from the 9th Hierarchy; who are God’s Advisory Council. Through Channeling; Deborah allows “We Are One” to communicate through her and relay their loving spiritual messages and healing.

What is channeling?

Channeling is allowing another soul energy that is presently not in body to speak through a living person. Deborah allows a group consciousness called “We Are One” to speak directly to you using her voice. This allows you to receive the information you seek. All is done in the most loving manner as each person is honoured and blessed in their journey and life lessons. “We Are One” are here to assist us on our journey home.

How is this done?

Deborah offers private recorded readings by phone, Skype or in person; so they may be enjoyed time and time again. Not only are readings filled with information but they are also coded with Angelic healing.

A reading is a half or a full hour. You are encouraged to prepare a list of questions for “We Are One” prior to the reading. “We Are One” will answer questions on any topic which is of concern to you at the moment e.g. health, relationship, career, karma, Akashic records, past lives, abundance, or names of your Angels, etc.

About the Channel...

Since childhood Deborah has been blessed with visions of Jesus in which he has communicated his love for her and has offered guidance and understanding. Deborah has always been very sensitive to energies and strong emotions. As these energies are held by objects such as houses, jewelry and furniture she has had to learn how to interpret her surroundings. As a young adult she was fascinated with concepts of ESP, telepathy, and psychic phenomena. This fascination led her on a journey that has encompassed many healing modalities and spiritual teachings.

An ongoing progression of events led her to be able to communicate with her Angels and Spiritual Guides on demand. One of the most persistent guides was Ezekiel who spent many years working with her to raise her vibration through the meditative process. In 2001 “We Are One” presented themselves to Deborah and Bob with a request that their information be recorded and passed on to others. As Deborah was chosen to channel and Bob to record (Bob’s choice) this information has been passed on in groups and through private readings. “We Are One” have proven to have amazing insight; compassion, patience, and love for all that seek their guidance and gentle counsel. They are here to support all that seek their words of encouragement, wisdom, healing, and blessings. Many Spiritual Guides and Angels participate in a session. In many cases Abraham or Mariah will speak for the Group Consciousness. Their mission is to help us heal our minds and bodies and know that we are all one.

During a reading I asked about my health and was told I had Leaky Gut Syndrome, what that was and how to treat it. I did not want to proceed without confirmation. My Naturopathic Doctor used a machine to scan my body and confirmed Leaky Gut Syndrome to my amazement. I did not tell him about my spiritual diagnosis. PAUL D. – TORONTO
